STRATEGIC COMMUNITY DRAFT PLAN (Mundaring 2020-2030)

Preparation of the Draft Strategic Community Plan (Mundaring 2020-2030) is underway and will be available for public comment in December 2019.

The plan sets out an ambitious and achievable vision for the development of the Shire over the next 10 years and beyond. It is an important document that informs the work the Shire undertakes by guiding Council decisions on matters such as projects, services and operational expenditure.

A major review of the Shire's Strategic Community Plan commenced in May 2019 to ensure the Plan continued to be relevant and reflective of the community's vision and aspirations.

An extensive engagement process was undertaken, which involved community workshops, online surveys and consultation with key stakeholders.

Workshop participants were asked to share what they valued most about the Shire and to identify their aspirations and vision for the next 10 years.

More than 500 people were actively engaged in the review process.

Community members were invited to contribute via a number of channels including community workshops (*open invitation and targeted groups*) and online surveys. Areas identified for improvement in the 2019 Community Perceptions Survey will also be used to inform the Strategic Community Plan.

The community's ideas and feedback are currently being collated and analysed - and together with an analysis of trends and drivers impacting the Shire - will be reflected in the Draft Strategic Community Plan 2020-2030.

Council was presented with the outcomes of the community workshops and surveys at a workshop in September. Newly elected and continuing Councillors will meet again in November to collectively identify priority areas for the community.

The Shire will seek feedback from the community on the Draft Plan from December 2019 to February 2020.

Copies will also be provided to Resident and Ratepayer Associations, libraries and other community groups. It will also be available on the Shire's online engagement platform, Engage Mundaring.

It is anticipated the final plan will

be adopted by Council in March 2020.

The Shire would like to thank everyone who has participated in this invaluable process. This input will ultimately shape the future of their local community.

CHIDLOW matters...

What's been happening?

Community Garden

We were able to install seven assembles (*paired 2400mm lengths of 100x50 jarrah with blocks between concreted in 600mm deep holes*) at a recent busy bee thanks to volunteers and John and Rosemary from Swan View Community Garden who brought a petrol auger, which helped a lot. Since then another nine assemblies have been installed thanks to Bruce, Reuben and Greg... and a further five more and two box strainer corners at the end of September.

Fund raising

We have been nominated for the Stronger Communities Federal Government grant which is capped at \$20,000 and has the potential of contributing 50% towards the value of the project. We have also applied for a State Government Grant of \$10,000. The previous grant obtained from the Shire of Mundaring for \$500 has been spent on paint and Formply ready for the wagons.

The garden stall held at the Chidlow Market on 21 September was a great success with plants cut flowers, garden greens and herbs for sale and Yami and Ana busking to raise some funds. That's it until March next year unless we have other volunteers for the twilight and carols markets.

Thanks to the Daw family for organising and running the Grand Bal de Chidlow Folk Dance at the Chidlow Hall with some profits going to the Community Garden.

Our request to Bunnings, Midland, through their Activities coordinator Julieann, of raised beds, mesh, netting and any broken bags of manure and compost was met with some garden beds, mesh and netting which is appreciated.

To come...

We are still no further forward with help for the chain link fencing, which is a priority. *Is there a community-minded fencer who can help us?*

We are working with the Shire and the Water Corporation to place the water meter and the emergency exit, a.k.a. northern pedestrian gate.

DON'T MISS OUT! Bendigo Bank Raffle: closing November.

Instead of bestowing grants this year, the Bendigo Bank are giving community groups a chance to earn funds by selling raffle tickets to win \$20,000 cash or one of five \$1,000 Bendigo Bank savings accounts. Please help the Chidlow community by either getting a \$50 book to sell or buying a \$5 ticket. Books are available from Jo Hallam, at Real Estate Plus, Chidlow.

Activities: Regular:

Film club: Held every second SATURDAY night of the month, 7,00pm for 7,30pm start. Next session is Dinner and Film Night. SATURDAY, 12 OCTOBER, 6.00pm for 7.30pm start.

LANGUAGE PROGRAM FOR CHILDREN IN HASLUCK

Federal Member for Hasluck, Ken Wyatt is encouraging local preschools in the electorate to take part in the Morrison Government's play-based program that inspires children by driving a genuine interest in new language and culture.

The \$27.5 million Early Learning Languages Australia (ELLA) program has already helped educate 110,000 children about foreign languages, across more than 3,500 preschools.

ELLA is a digital, play-based program that introduces young Australians to languages other than English. It can help teach 13 languages: Arabic, Mandarin, French, German, Hindi, Indonesian, Italian, Japanese, Korean, Modern Greek, Spanish, Turkish and Vietnamese.

Ken Wyatt said learning a second language would give students an educational advantage and broaden their horizons.

"ELLA supports children to explore other languages and cultures, inspiring them to continue learning in years to come," Mr Wyatt said.

Our Government is helping prepare students in Hasluck for the future economy where having a second language will be an enormous benefit.

"Preschool educators don't need any language training experience to run the ELLA program because extensive support material, offline games, learning resources, and a responsive helpdesk are all provided."

"I encourage preschool operators in Hasluck to apply to run the ELLA program to introduce our children to the joy and challenge of learning a second language."

"All languages are essential to well-being and culture and to our identity being perpetuated for centuries."

The Morrison Government has already provided \$11.8 million to expand ELLA into 300 schools for grades Foundation to Year 2. Visit www.ella.edu.au for more information, including eligibility criteria, device requirements and how to apply.

RESTRICTED BURNING PERIOD

**1st October - 30th November
(permits Required)**

FIRE BREAKS

(Please maintain from

1st November to 31st March)

Your firebreaks should be 3 metres wide
and 4 metres high and have room
to turn in to and around corners
...if our truck cannot drive on your
firebreak we may not be able to
manage fire on your property!

October sees the return of the
of Restricted Burning season. Please
remember that if you want to do a run-
ning burn, a bonfire, or burn a pile be-
fore 6pm, you will need a free permit,
which can be obtained from the Chidlow
station on Saturday mornings.

You can still burn a 1sqm pile af-
ter 6pm without a permit, *but please exer-
cise common sense and don't light up on
a windy or very hot day.* The ground is
already drying, and brigades are busy put-
ting out escaped burns. Watch the shire's
site to keep updated, as the permit season
may end early if conditions become dan-
gerous. For more information on permits,
and on conditions for burning a small pile,
search "Burning Period Mundaring Shire."

This month Chidlow VBFB would
like to raise a cheer for two of our mem-
bers: Gary Rowles, our current President,
and Damien Martin, our former President,
have been fundraising and training, prepar-
ing to ride their bicycles in the MACA Can-
cer 200: Ride For Research, with team-
mates Jolene Wallington and Liam Sexton.

This challenge will see the in-
trepid members of the "Bush Bikers" team
riding a leg-straining 200km in two days,
with over 1000 other riders. At the time of
writing this, the team of four have raised
\$11,438 altogether, and are on their way to
achieving their \$15,000 goal. All the mon-
ey raised will go towards cancer research,
which is a topic dear to the hearts of the
"Bush Bikers."

Mundaring Council Election - East Ward Vote ✓ John Daw

Chidlow is the heart of the Hills and a great place to live.

Lake Leschenaultia is the jewel in the crown for the whole of the Hills community.

Chidlow is vibrant for all ages and interests.

Quality sports facilities, the Hall, the Tavern, the Markets, the Fire Brigade, our cafe, shops and village services.

This vibrancy and our beautiful natural environment requires Council support and Shire cooperation.

I will continue to strongly support our community to achieve our vision and goals.

For continued strong representation on Council

When we asked why Gary was undertaking such a huge challenge, he said,

"Like many others, I have lost close family members to cancer. I also fought my own battle 10 years ago and managed to survive. Cancer has had a huge impact on me, and I want to do something to support others impacted by this disease. I did the ride last year and found the camaraderie and support during the ride inspirational and humbling. It is impor

tant to realise that many others are on the same journey and this ride is a wonderful healing experience."

Damien told us, *"I was inspired by Gary and Liam when they did the ride last year. It is a great way to help improve the outcomes for cancer patients, and cancer will pretty much touch every one of us in one way another. It's a win all around, because it raises funds for research, it gets me fit, it is great fun doing the training, and it brings the community together in building awareness and raising funds."*

If you would like to contribute to the fundraising efforts of the "Bush Bikers," please search "MACA Cancer 200" to find the website, and "Bush Bikers," to find our team on the site. Chidlow VBFB is very proud of our two long-serving members, Gary and Damien, who continue to work for our community in so many different ways!

MUNDARING ARTS CENTRE & MIDLAND JUNCTION ARTS CENTRE

MUNDARING ARTS CENTRE

Currently on display at Mundaring Arts Centre *Peregrinations of a Citizen Botanist* is an interactive installation by Susie Vickery which takes the form of a cabinet of curiosities, charting the journey of the 18th Century French botanist, Jacques-Julien Houtou de La Billardière.

The exhibition examines Australia's current relationship with the environment and presents an alternative view of history.

Join Susie Vickery on Sat 19 Oct from 11:30am as she discusses the inspiration behind the project and her broader arts

practice. Susie will present an illustrated lecture at the Mundaring Lesser Hall before inviting guests to wander down the road to Mundaring Arts Centre to explore the exhibition.

A collection of plant and pollinator inspired artworks created by both children and adults is also presented for Seeds, Pods and Pollen. Artworks have been created through a series of recent workshops across both Mundaring and Midland Junction Arts Centres, at the Avon Descent Festival, and at schools in the surrounding areas. Both exhibitions close Sunday, October 27.

MIDLAND JUNCTION ARTS CENTRE

You have until 12th October to explore Midland Junction Arts Centre's What On Earth exhibitions and WA's unique flora in Wildflower State, rock on to Botanic Philharmonia, vote for your favourite artwork in the Swan Environmental Art Project

and pick up some ceramics in our Table ware pop up shop.

Then opening 25 October, Susan Ecker's solo exhibition Elements Form explores, extracts and reconstructs iconographic descriptions of Western Australia, concentrating on enduring elements - the land, rock formation, the river. Elements Form continues until 14 December.

EASY LIVING

Beautifully presented and solidly built, this 3 bedroom, 1 bathroom home offers easy living with extras galore in an idyllic location. Surprisingly spacious, the home includes fully ducted reverse cycle air-conditioning, security cameras, roller shutters and a new 6.5 KW solar system to make living more comfortable, safer and cheaper. A quiet side street and a gently sloping 1900 sqm block give this home a prime position close to the local school. The lightly treed block is fully fenced and entered via a remote, solar-powered gate and a 2-car carport, powered workshop and garden shed offer great storage.

Mount Helena CLASSIC

billy cart & whim festivals

Spring in the Hills is a wondrous time, so come along to the Mount Helena Classic Billy Cart and Whim Festivals on the **27th of October**.

Enjoy a day of Billy Cart Racing, with seventy entrants ranging from grandparents, school kids, our local police force, firefighters, and even corporate types from the city.

Dig in to a variety of local and metro food van cuisines including; Asian, Indian, Spanish, Italian, vegan and gluten free alternatives. There will also be delicious cakes, ice cream and plenty of coffee to go around, plus our very own fresh fruit juice.

Strut your stuff and flaunt your vintage gear from the 1900s to 1970s – there will be random prizes from the wandering judges for best dressed, so go all out. Be sure to wander back into the past with Turn Back Time – a collection of history, vintage prams, dolls and very old bikes; for littlies a coconut shy, toys and games.

Get creative and colour in a picture or draw on the footpath for a prize. Also click away at your camera to enter the Pop-Up-Pics competition for the best shots on the day.

Browse through the various stalls and have a taste of some of Lion Mill Estate's luscious reds and whites.

Jam out to live music all day – from High School Concert Bands through Blues Confusion to the Mindfreakz.

And last, but certainly not least, we are calling on all Classic Car fans! There is an area reserved strictly for your classic steed to be displayed, on the main road, as you enter the town site from the Sawyers Valley Road from the Great Eastern Highway. To protect your treasure the **roads will be closed from 9:30am** with a one way circuit in operation. Be sure to bring your classic car along to enjoy the fun!

BREAST CANCER AWARENESS MONTH BEGINS OCTOBER 1

October 1 is the commencement of Breast Cancer Awareness Month. It is yet another strong reminder to all Australian women they should put their health and well-being first.

Early detection remains the best chance of survival.

It is important women of all ages self-check their breasts, and women aged 50 to 74 years take up BreastScreen Australia's invitation of a free screening. Many women are still not participating in the free screening program, although it could save their lives.

Federal Member for Hasluck, Ken Wyatt, urged women to learn about breast cancer, and have regular breast checks to catch the disease early.

"Breast cancer is the most common cancer among Australian women, excluding non-melanoma skin cancer," Mr Wyatt said.

"More than 19,300 Australian women will be diagnosed with the disease this year and more than 3,000 women are expected to die from it. I encourage all women to take up BreastScreen Australia's invitation of a free screening, which could end up saving their lives."

The Morrison Government is committed to reducing cancer's toll on Australians. Support measures include:

- From 1 November, breast cancer scans

and PET scans for advanced breast cancer will both be subsidised by Medicare, saving patients up to \$1500 per scan.

- The number of McGrath Foundation breast cancer nurses will increase from 57 to 98 by 2022-23.

- The listing of Ibrance® (palbociclib) on the Pharmaceutical Benefits Scheme, saving women with an advanced form of breast cancer around \$55,000 for a year's treatment.

Minister for Health, Greg Hunt encouraged women to visit Cancer Australia's website - breastcancerriskfactors.gov.au – to better understand their own risks.

"We all know someone who has been affected by breast cancer," Minister Hunt said.

"This month is a great time for every woman to think about this disease, learn more about the risks and take action to protect herself."

NEW GRANTS AVAILABLE FOR SWIMMING PROGRAMS IN HASLUCK

Federal Member for Hasluck, Ken Wyatt, is encouraging local community groups to apply for new swimming grants to enable or improve opportunities for people with disabilities and from diverse back-

grounds to enjoy this great Aussie pastime.

The Community Swimming Grants Program allows organisations to apply for grants of up to \$10,000.

"Swimming is a big part of our way of life in Hasluck and is a great way to stay active and healthy at any age," Mr Wyatt said.

"However, some people in our community need extra support to be able to enjoy the benefits of swimming. These new Community Swimming Grants provide a great opportunity for local community groups to get funding to share the love of swimming with more people in Hasluck."

Minister for Youth and Sport Richard Colbeck said the initiative aimed to make swimming as accessible as possible so more Australians could benefit from sport and physical activity.

"Within this program, grants may be used to subsidise the costs associated with delivering swimming and aquatic activities such as entry fees, lane hire or membership fees."

"Supporting more Australians to get more active more often is a priority for our Government and we're delighted to be working with Swimming Australia to deliver greater access to swimming and aquatics for up 3,200 people through this program."

Bush Skills for the Hills

Free Environmental Workshops January to December 2019 program

Bush Skills for the Hills is an ongoing series of free environmental workshops for the community. A combination of theoretical and practical hands-on sessions, the workshops are designed to provide participants with skills to help manage and appreciate everything that local bushland has to offer.

The EMRC has teamed up with Eventbrite, the world's leading online event registration service. To register for a workshop head to <http://ERCMPEvironment.eventbrite.com>. For more information about Eventbrite see the back page of this program. Native Grasses With Una

When: Saturday, 2 November 2019, 9:00am to 11:00am

Where: Morgan John Morgan Reserve, Glen Forrest

It can be difficult to distinguish between native and introduced grasses, especially when undertaking weed removal activities. This workshop will give participants a good chance to get familiar with common grasses by taking a walk and talk through Morgan John Morgan Reserve in Glen Forrest. Una Bell, Research Associate with the WA Herbarium and author of "Common Native Grasses of South-West WA" and "Native Grasses of Perth Hills: a field guide to identification", will be leading the walk.

Please note that the workshop includes some walking.

Morning Tea will be provided.
